**DIO LEWIS'
TURKISH BATHS**

AT 17 BEACON ST., BOSTON.

Are you Rheumatic? Are your muscles sore? Is your liver dull? Are you depressed in spirits? Turkish Baths will release you.

The distinguished DR. AUSTIN FLINT, of New York, says: "As a remedy for sleeplessness, Hot Air Roman Baths are better than hromides, chlorals or opiates."

DR. HAMMOND, Surgeon-General U. S. A., and the highest authority on diseases of the nerves and brain in America, says: "In many afflictions of the nervous system, and in cerebral congestion, Turkish Baths cannot be too highly commended."

"A Turkish Bath is always a taste of Paradise."—*Anna E. Dickinson.*

"Do as the Romans did, whether in Rome or no."—*Grace Greenwood.*

"The man who has not taken a Turkish Bath has never risen to the moral dignity of being personally clean."—*Edwin Forrest.*

The Baths at 17 BEACON STREET, BOSTON, are under the constant supervision of DR. DIO LEWIS, who has for years made the Turkish Bath a special study.
